

ART ARRAY - 20

Juried Exhibition Sponsored by Muscatine County Arts Council & Muscatine Art Center

Art Array 2020 participants...

In response to the COVID-19 virus, the Muscatine Art Center, a municipal museum, is working with the City of Muscatine to announce the closure of the museum for a four week period. It is our hope that at the end of that four week closure we will be able to reschedule an opening reception for the Art Array 2020 exhibition. You will be notified when a new reception date is announced.

The jurors will still judge the works of art and we will personally notify all participants of the first, second and third place winners. Those winners will be contacted for an address and the cash awards will be mailed out.

We appreciate your understanding of this decision. It is best to air on the side of caution in these uncertain times.

Thank you for participating in the exhibit.

Angela Woodhouse
Vice President
